**OFFICE OF PETITIONS**

In re Application of :  
Ferrara et al. : DECISION ON APPLICATION  
Application No. 10/027,603 : FOR  
Filed: December 19, 2001 : PATENT TERM ADJUSTMENT  
Atty Docket No. GENENT.1516CP1:

This is a decision on the "REQUEST FOR PATENT TERM ADJUSTMENT UNDER 37 C.F.R. § 1.705(d)" filed March 9, 2007. Applicants request that the initial determination of patent term adjustment under 35 U.S.C. 154(b) be corrected from zero (0) days to thirty-nine (39) days.

The application for patent term adjustment is **GRANTED**.

The Office has updated the PAIR screen to reflect that the correct Patent Term Adjustment (PTA) determination at the time of the mailing of the Notice of Allowance is thirty-nine (39) days. A copy of the updated PAIR screen, showing the correct determination, is enclosed.

On December 13, 2006, the Office mailed the Determination of Patent Term Adjustment under 35 U.S.C. 154(b) in the above-identified application. The Notice stated that the patent term adjustment (PTA) to date is 0 days. On March 9, 2007, applicants timely<sup>1</sup> submitted an application for patent term adjustment (with required fee). Applicants assert that the Office erred in entering a period of reduction of 76 days for applicant delay stemming from a Notice to File Missing Parts mailed by the Office on February 7, 2002.

<sup>1</sup> PALM records indicate that the Issue Fee payment was received on March 12, 2007.

Applicants submit that the present application is not subject to a terminal disclaimer.

A review of the record reveals that the reduction of 76 days is not warranted. By Notice mailed May 31, 2002, the Notice mailed February 7, 2002 was withdrawn as mailed in error<sup>2</sup> and a new Notice mailed. On July 22, 2002, within the three-month period set forth in 37 CFR 1.704(b), applicants filed a response to the Notice mailed May 31, 2002. Applicants did not fail to engage in reasonable efforts to conclude prosecution of the application by delaying in replying to either the Notice mailed February 7, 2002 or the Notice mailed May 31, 2002. Accordingly, the period of reduction of 76 days has been removed.

In view thereof, the correct determination of patent term adjustment at the time of the mailing of the Notice of Allowance is thirty-nine (39) days.

The Office acknowledges submission of the \$200.00 fee set forth in 37 CFR 1.18(e). No additional fees are required.

The Office of Patent Publication has been advised of this decision. The application is being forwarded to the Publications Division for issuance of a patent.

Telephone inquiries specific to this matter should be directed to the undersigned at (571) 272-3219.

Nancy Johnson  
Senior Petitions Attorney  
Office of Petitions

Enclosure: Copy of Revised PAIR Screen
